

What we offer

Kemp Home & Hospital offers a “family” atmosphere. Whether you’re a social active person who enjoys the company of others, or just enjoying the peace and quiet, you can get this and more at Kemp Home & Hospital.

Bring your family and friend and take a walk amongst our gardens. Shop at the nearby local shopping village or enjoy the smell of the sea salt air at the nearby beach.

As a faith-based organisation, Kemp Home & Hospital prides itself that the focus is on “your needs, your care”.
